

UA760

Fingerprint Time & Attendance and Access Control Terminal

UA760 is a 2.8-inch color screen biometric terminal for Time & Attendance, and Access Control (primary) applications. It adopts Z-ID fingerprint collector for excellent recognition and internal WiFi for convenient communication. Users can manage data via TCP/IP, WiFi, and USB host port for data up/download to avoid the risk of accidental deletion. Besides, optional ADMS can achieve remote data management with our ZKTime. Net 3.0.

Features

- **Wi-Fi:** WiFi module is integrated. It is working on the 2.4G radio band, and meet the IEEE 802.11b/g standards.
- **USB:** Support USB host connection to achieve data backup and management while the device is standalone.
- **ADMS:** Optional for devices worldwide using. Solve the device's capacity limitation through networking via HTTP sever. Mondial devices can be connected and upload & backup data automatically. This is helpful for devices managing and monitoring.
- **Z-ID:** Using Z-ID Fingerprint Collector for excellent recognition rate. Dry, moist, or rough fingerprints can work well.
