

# ZPad Plus(4G) RFID

Time Management Solution with Android OS

**ZPad Plus(4G)** is ZKTeco's latest multi-functional data collection device, incorporating the Android 7.1 platform and integrating FBI PVI certified Z-ID Fingerprint Sensor and RFID module.

The device is equipped with an internal battery and a 7-inch touch screen display and features wireless communications via Wi-Fi and Bluetooth.

ZPad Plus(4G) is available in three different versions: ZPad Plus, BioTime Web, and ZPad Plus Cloud. In combination with **GoTime Cloud**, our cloud-based Time & Attendance Management Software solution, your attendance and employee data will always be available and secure in Amazon servers. The users will have access to Attendance events and management, being able to set different user privileges.

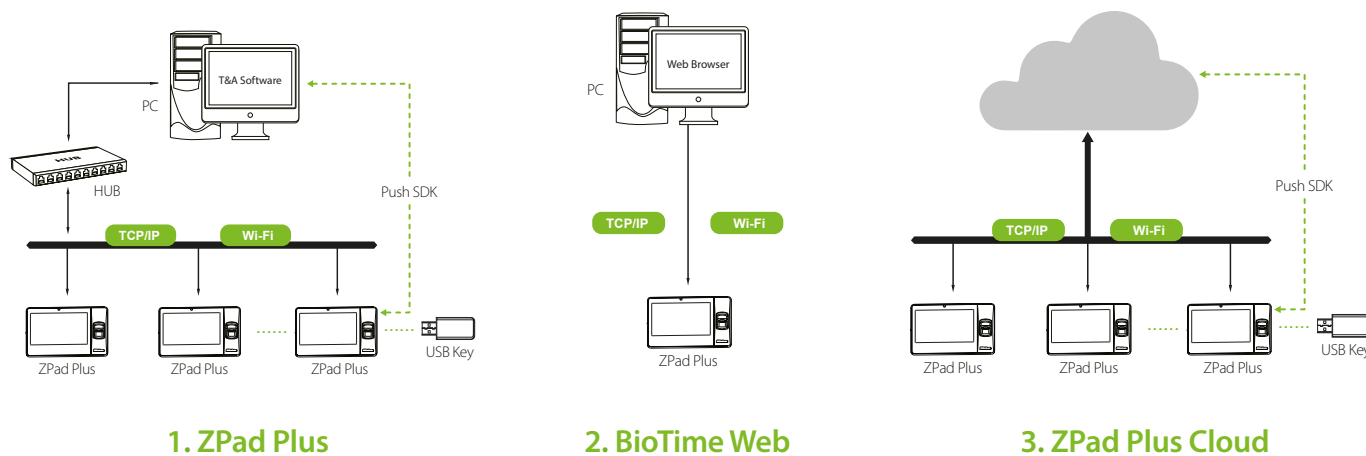

## Features

- 7" Multi-touch LCD Screen
- Multiple Events Management
- Standalone Employee's Shift & Schedule Management (BioTime Web version)
- Self-Service Report and Data Management (BioTime Web version)
- Multi-verification (Fingerprint, RFID, Password)
- Web Browser Management
- Equipped With Backup Battery
- Responsive interface
- Time & Attendance Management App
