

# ZPad Plus [QR]

Contactless ZK Ergani

QR Code Scanner for

Time & Attendance

ZKTeco launches ZPad Plus [QR], a contactless **ZK Ergani QR Code Scanner** for **Time & Attendance** with Android OS and a newly integrated QR module. ZPad Plus [QR] incorporates ZK Ergani, a solution developed by ZKTeco Europe that allows you to punch using Ergani personal QR code.

## Contactless technology

QR code identification.

## Plug and Play

Thanks to its ease of installation, it allows the owner of the premises to focus on his business.

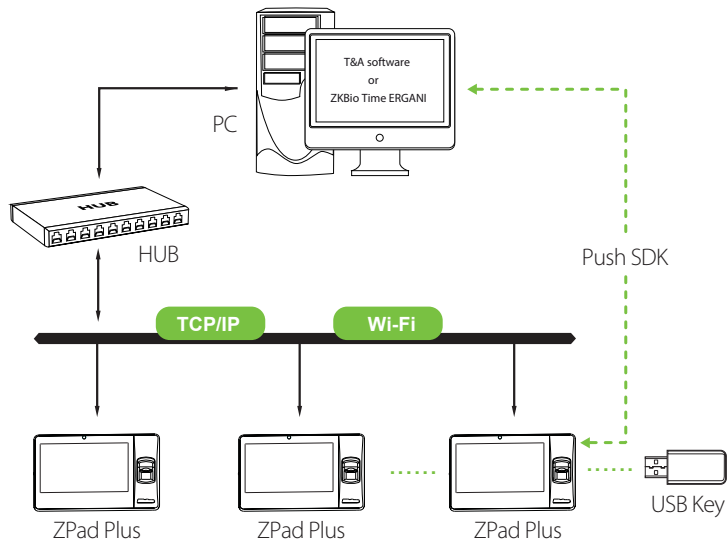

## Real-time

Enables real-times punches from Ergani QR codes.

## Security

Consumer confidentiality is guaranteed as no information is stored inside the devices.
