

## ZKTECO EUROPE HARDWARE WARRANTY POLICY

### Who is covered by the warranty?

ZKTeco Europe provides a three (3) years product hardware Limited Warranty to purchasers of ZKTeco Europe products, which entails all Green Label, T&A and Access Control standard lines, Entrance Control including Parking Barriers, Metal Detectors and small readers. This warranty does not cover accessories, such as cards, tags, cables, locks and power supplies.

All ZKTeco Europe warranties begin on the commercial invoice date. All warranty claims must be submitted before the expiration of the warranty term. This warranty is non-transferable.

### What's covered by the warranty?

This warranty covers each product and warrants them to be free from defects in workmanship, under normal use and service, for the defined three years period of time from the date of purchase by the first end-user. Under this warranty, ZKTeco will repair or replace, at its option, any unit that fails to perform according to ZKTeco's published specifications during the warranty period.

### What's not covered by the warranty?

The warranty does not cover software or damage to the product caused by modification, alteration, misapplication, misuse of, or physical abuse to the product; or damage due to repair or service to the product by anyone other than an Authorized ZKTeco Service Center. This warranty also excludes any damage to the product caused by circumstances outside of ZKTeco's control, such as, but not limited to, lightning or fluctuation in electrical power.

### Acquiring warranty service & how to submit an RMA.

Should the product prove to be defective within the warranty period, return the product, as described in the RMA procedures that follow, and ZKTeco will, at its option, repair or replace the product, to whatever extent ZKTeco deems necessary to restore the product to proper operating condition, without any charge to you.

If you purchased the product from an Authorized ZKTeco's Reseller, contact the Reseller with the unit's serial number. Your Reseller will contact ZKTeco, on your behalf, to arrange for the unit to be serviced.

If you purchased the product directly from ZKTeco or have been instructed by your Reseller to ZKTeco directly, go to the RMA & warrantee tab at [www.zkteco.eu](http://www.zkteco.eu) and follow the steps indicated. Please Register/Access to the ticket platform and complete all the required information. You will be provided with a QR code within 72 hours.

Upon shipping, please ensure to attach the document on the exterior of the parcel and to clearly indicate the reference number. Failure in obtaining an RMA number before shipping to the repair facility or not attaching the RMA form for your product, will delay the processing of your repair and may create additional costs.

For your protection, we recommend you ensure any equipment being sent to ZKTeco. Place the product in its original packaging with a copy of your original invoice, the QR code and ship the product prepaid to the appropriate address.
